

Bicycle, Pedestrian, and Greenways Master Plan 2013 Annual Review

Adopted January 2010

2011 Project plan of the Year (Texas American Planning Association)

Progress in 2013:

- Bike lanes added on Lincoln Avenue from Tarrow Drive to Ashburn Avenue to create continuous bike lanes from Texas Avenue to University Drive
- New sidewalk on one side of Dexter Drive from Park Place to Winding Road
- New sidewalk on one side of University Drive from Texas Avenue to Lions Park
- Design complete for Phase II of the trail along 2818 that begins at Texas Avenue and currently ends at Welsh Avenue. The trail will extend to Southwest Parkway through the Campus Village apartment complex along Bee Creek Park
- Design in progress for a sidewalk on one side of Wellborn Road from Southwest Pkwy to Luther
- Design in progress for Lick Creek Greenway Trail

Adopt-A-Greenway Program – 2013 volunteers:

- John Crompton Park adopted by The National Association of Environmental Professionals at Texas A&M University
- Lemontree Park adopted by Pi Tau Sigma
- Wolf Pen Creek – Lower adopted by Keep Brazos Beautiful
- Wolf Pen Creek – Upper adopted by The Church of Jesus Christ of Latter-Day Saints – CS 1st Ward
