

# CAPITAL PROJECTS & LAND ACQUISITION

QUARTERLY REPORT

FOURTH QUARTER • SEPTEMBER 2014

## ROYDER/LIVE OAK SEWER EXTENSION

This project includes the installation of approximately 8,900 LF of 12" gravity sanitary sewer main and 1,100 LF of 8" gravity sanitary sewer main along Royder Road, Live Oak Street, and McCullough Road with laterals off of Church Street, Madison Street, and McCullough Road to serve recently annexed areas of Wellborn. This project also includes roadway improvements along portions of Royder Road, Live Oak Street, and McCullough Road.

This project will provide sewer service to the citizens and businesses as prescribed in the City of College Station Service Plan for the Area to be Annexed effective April 14, 2011. The proposed alignment was presented to the citizens at the first Wellborn Neighborhood planning meeting held on February 6, 2012.

## ROCK PRAIRIE BRIDGE IMPROVEMENTS

Rock Prairie Bridge Concept: Perspective Exhibit  
College Station, Texas

Kimley-Horn  
and Associates, Inc.  
October 2012

Construction began late last year on the improvements to the Rock Prairie overpass of SH 6. These improvements include widening the existing bridge and adding turnarounds to the bridge. This is a joint project with TXDOT and the City of College Station.
