

COLLEGE STATION POLICE DEPARTMENT

INTERNAL AFFAIRS COMPLAINTS - 2008

During 2008, the internal affairs division investigated 46 total complaints. The five-year average for complaints received is 51. Complaints are down 9% compared to the five-year average and down 68% from the 68 complaints investigated in 2007. The department made 83,605 contacts with the public during 2008 (calls for service and traffic stops). The percentage of these contacts that resulted in an internal affairs investigation is .0006%.

This year, improper procedure and discourtesy were the leading external complaints with ten complaints in each category being made.

Internally, improper procedure was also the leading complaint with 6 cases being investigated.
